We Must Save on Every Item

Buying Victory Bonds, if we do it sincerely and are honest with ourselves and Canada, calls for more than the investment of our surplus. We must economize through the year ahead.

Women will save most, through their home management, no saving will be too small.

We respectfully call their attention to the fact that Pacific Milk, used in all cooking, is a true economy. Its unusual richness gives food the utmost in nourishment and it is cheaper to buy than fresh milk.

DEMONSTRATION
TO CELEBRATE
NEWS OF PEACE

Procession Through Streets With
Effigy of Kaiser Hanging
By the Neck.

It was a great impromptu celebration yesterday afternoon when the whole city turned out to show their appreciation of the good news carried by the wire to the effect that Germany had capitulated. It was a big demonstration although the joy was somewhat restrained on account of the sad circumstances which had darkened the lives of a good many recently. There was also the memory of those who had gone overseas never to return, which curbed somewhat the joy of the occasion.

The celebration formed on Third Avenue and was led by the returned soldiers who were cheered as they marched. The automobiles followed, gay with bunting, and especially with the Union Jack which was flying everywhere.

From the rear of one of the cars was an effigy of the Kaiser hanging by the neck. On reaching the front of the Prince Rupert Hotel the effigy was hanged to the telephone pole and set on fire and burned amid cheers.

From the balcony of the hotel short addresses were given by the Mayor, Bishop Bunoz, Rev. Canon Rix, Rev. Dr. Grant and Rev. W. S. A. Crux, all of whom spoke of the joy of the occasion, of the sacrifices which had been made and of the splendid work of the soldiers who went overseas, with especial mention of those from Prince Rupert.

The doxology and the national anthem was sung and cheers were given for Lloyd George and President Wilson after which the gathering dispersed.

If Germany Accepts--

BEFORE this is in type Germany may have accepted the Allies terms of armistice but that would not mean that the Victory Loan would not be needed.

Canada will still need the Victory Loan when fighting ceases, just as she has needed the money to carry on the war.

After fighting ceases, it will cost hundreds of millions of dollars to maintain Canada's Soldiers until they can be demobilized.

Canada may have to keep her quota of men in occupied enemy territory.

Canada will have to transport her army home.

For some time to come, Canada must continue to finance the supply of foodstuffs for Britain and her Allies on credit.

War or no War Canada must continue to finance her ship-building programme to replace lost tonnage and to establish and maintain her proper place in the Sea carrying commerce of the World.

All this will have to be financed by the Victory Loan 1918.

So, whether or not Germany accepts the Allies' terms, the Victory Loan 1918 must be subscribed and oversubscribed.

Nothing less than this will enable Canada to complete her War effort and to maintain her agricultural and industrial prosperity.

And, Remember, this may be your last chance to buy Canadian Government Bonds bearing five and one half per cent interest.

So Buy Victory Bonds, and Buy More and More Bonds
