

### ORDER-IN-COUNCIL IS PASSED RE WAR BONUS FOR CIVIL SERVANTS

Not Yet Signed by Governor-General, and Full Terms or Order Not Yet Made Public.

Ottawa, Nov. 7.—The Cabinet Council has passed an order-in-council respecting war bonus for civil servants, but what the terms of the order are and the amount granted will not be announced until it has been approved by the Governor-General. It is generally regarded here as unlikely that an order-in-council will grant the full bonus of \$350 to all. Most probably the bonus will be on a sliding scale, with the maximum bonus to those with dependants and getting the smallest salary. One report has it that the maximum will be \$250, which will go to married men with dependants getting less than \$1,800 a year. For this there is no official confirmation.

By a rough count it is estimated that about a million Austrian prisoners are now in the hands of the Italians.

### INFLUENZA UNCHECKED IN CITY OF EDMONTON

Arrivals from Edmonton on the train last night brought word that on Monday the influenza was still unchecked in that city. The mayor had just issued a statement saying that there was no lessening in the severity of the attack. During Sunday and Monday there were 194 new cases reported, against 201 for the corresponding days of the week before. From these figures it is clear that, so far as Edmonton is concerned, there is no let up. What is true of Edmonton is said to be also true of other towns in Alberta.

### PRESENT TO U.S.

London, Nov. 7.—In order to show appreciation of the part the United States has taken in the war, a mission is now on its way to Washington bearing gifts for President Wilson, the American Congress and the City of New York. These consist of rare and original codices of Christopher Columbus, Amerigo Vespucci and Giovanni de Verrazano, early discoverers and explorers of North America.

### INFLUENZA REPORTS

Winnipeg, Nov. 7.—The influenza is interfering with shipping on the Great Lakes owing to announcements by the crews that many ships were victims of the disease. In Eastern Canada the same meetings is being gradually raised.

Toronto.—The worst is over in this city and things are fast assuming a normal condition.

### YOUNG HERO DIES

Winnipeg, Nov. 7.—Lieut. Alan McLeod, V. C., Manitoba's idolized young hero, died last night of influenza. Only 19 years of age he was the youngest V. C. on record. He won the decoration by performing marvellous feats in the air when his aeroplane was falling.

# Canada CAN and WILL

ON July 31, 1918, Canadians had on deposit in banks more than a billion five hundred million dollars—that was \$160,000,000 more than was on deposit on the same date in 1917.

And, in the meantime, Canadians had invested \$425,000,000 in the Victory Loan 1917. Besides that they had bought \$60,000,000 worth of provincial and municipal bonds.

So the people of Canada during the past year have accumulated \$485,000,000 in bonds and over \$160,000,000 in cash more than they had on July 31, 1917. That represents concrete accumulated wealth.

Canada is to-day the richest country in the world, per capita.

Her war debt per capita is lower than that of any other fighting nation.

So Canada undoubtedly has the ability to oversubscribe the Victory Loan 1918.

And Canada must manfully and loyally support the Victory Loan 1918, because the national safety, the national honor and the prosperity of the country are at stake.

Canada's business prosperity is necessary to the maintenance of Canada's war efficiency.

Get ready to oversubscribe the Victory Loan.

## BUY VICTORY BONDS and help to get others to buy—then buy some more yourself

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

Take a final shot at the Kaiser; buy half a dozen bonds today and then if he is not gone, a few more tomorrow.
