#### THE GRIM REAPER WORKS THROUGH NEGLECTED COLDS

A slight cold does not suggest serious danger, but the suddenness with which a slight cold becomes a serious cold leads to apalling consequences. A slight cold demands immediate treatment.

Mathieu's Syrup of Tar and Cod Liver Oil taken at the outset removes all possible danger. It heals the inflamed parts, strengthens the tissue and builds up the whole system to defy further attacks.

The Tar is the healing agent. The Cod Liver Oil the strengthening element; combined properly as in Mathieu's Syrup they are invincible. Large bottle 35 cents. For sale at all dealers.
