No Man Need Use Poor Printing Unless He

is Willing

and Satisfied

...to Do So...

The man who is able to buy any kind of printing is able to buy good printing. If he uses anything else it indicates to people who see it that he doesn't care.

Most people would prefer a man's general character and personality to be in keeping with his printing--so it is disastrous not to care about your printing

THE GRIM REAPER WORKS THROUGH NEGLECTED COLDS

A slight cold does not suggest serious danger, but the suddenness with which a slight cold becomes a serious cold leads to appalling consequences. A slight cold demands immediate treatment.

Mathieu's Syrup of Tar and Cod Liver Oil taken at the outset removes all possible danger. It heals the inflamed parts, strengthens the tissue and builds up the whole system to defy further attacks.

The Tar is the healing agent. The Cod Liver Oil the strengthening element; combined properly as in Mathieu's Syrup they are invincible. Large bottle 35 cents.

For sale at all dealers. When headache and fever are present with a cold take Mathieu's Syrup of Tar and Cod Liver Oil to reduce the fever and allay the pain. J. L. Mathieu Co., Props., Sherbrooke, Que. (C)

A CHARMING SOCIAL

Mrs. Holtby Entertained Presbyterian Ladies at Her Home.

A most delightful afternoon was spent yesterday at the home of Mrs. Holtby, Centre street, where an "at home" was held for the ladies of the Presbyterian congregation living west of McBride street. There was a constant stream of guests from early afternoon up to 6 o'clock, upward of seventy ladies enjoying the reception. Mrs. Arnold, secretary of the Ladies' Aid, and Mrs. Stork welcomed the guests and did much to make it an occasion of genuine enjoyment. Mrs. Naden and Mrs. Tite officiated at the tea table, where they were assisted by a number of the Bethany Girls. From time to time during the afternoon Mrs. Carpenter delighted the guests with some of the sweetest piano selection. The day was completed by about thirty of the young people gathering at Mrs. Holtby's to have one of the gladdest and merriest evenings of the season. The hostess received numberless compliments on the splendid success of the day.

The city has ordered a new and larger "pepper box" to grind up the filling for the avenues and streets. Choicest liquors and cigars--Savoy.

MANSON AND GOVT. WHARF

(Continued from Page 1.)

This brings the Provincial Government wharf about up to its present stage, when the contract for the warehouses has been let to Emil Kauffman, who is under promise to complete the work within six weeks after the wharf space is handed over to him for the work, but who is still waiting for authority to start up.

No Time Limit. It is said that there exists at present absolutely no time limit on the contract, and old timers who have reason to know declare that the whole wharf is about two years behind time. As lots in the vicinity of this government block went at much enhanced prices on the strength of government promises that the wharf would be speedily in use, the protracted delay in even completing the structure is certainly working a hardship on the city.

ON VERGE OF STARVATION

Three Million Persons in China Said to Be Starving as a Result of the Heavy Floods Destroying the Crops.

New York, Feb. 16.—"Three million persons in Central China are on the verge of starvation," reads a statement issued today by the famine relief committee, of which Bishop David A. Greer is chairman. The statement continues as follows:

"Last summer the worst floods in forty years destroyed crops in an area of fifty thousand square miles. Many have died of hunger and unless prompt relief is given multitudes of men, women and children must perish. No harvest can be obtained until May. Until then the famine will gain daily. There is a strong famine relief commission in Shanghai composed of both foreigners and Chinese of all faiths. Bishop Graves of the Episcopal Church is chairman, Dr. Wu Ting Fang, former minister to the United States, is vice chairman; Rev. E. C. Lobenstein, of the Presbyterian Church, is secretary, and Mr. H. C. Gulland, manager of the International Banking Corporation, treasurer. This mission will employ as many as possible of those able to labor in the building of dykes and in such other work as will help to prevent the recurrence of floods and famine. This work is in line with the recommendations of C. D. Jamieson, an engineer sent to China by the American Red Cross. All labor is to be paid for in grain, not in money."
