Admiralty Sends Steamers to Norfolk, Virginia, to Take Coal to Gibraltar for Fleet-Famine Freight Rate Paid.

(Canadian Press Despatch.)

Norfolk, Va., March 6 .- The British government has begun buying coal at this port and four British steamers have been char- Leave tered to come here and take it to Gibraltar, where it is to be delivered to the British admiralty. to take approximately 25,000 tons. That the British navy is in urgent need of this fuel would seem to be made apparent by the freight rate which the government has None safer on the coast than these two undertaken to pay the steamers, which is \$5 a ton. This is only 40 cents less than the ocean rate
