Early Completion of Govt. Wharf

(Continued from Page 1.)

However, the Department intends to have this wharf completed and put into operation just as expeditiously as possible, and I feel convinced that your self and the committee writing you would, if they carefully reviewed all the circumstances of the case, decide that everything possible has been done.

I have the honor to be, Sir,
Your obedient servant,
W. W. FOSTER,
Deputy Minister of Public Works.

Victoria, Feb. 9th, 1912.
S. Kauffman, Esq.,
Victoria, B. C.

Sir: Confirming conversation at the joint interview between Mr. S. Cameron of the Westholme Lumber Co. and myself, representing the Department of Public Works, in which you participated today.

It is distinctly understood that 4 weeks from this date you are to commence work in connection with the contract for the erection of sheds which you now hold, and press the work to completion. It being of course understood that if, for special causes the Department is satisfied that the whole of the braces which the Westholme Lumber Co. have to put in to complete their contract have not been erected, that your work is to be carried out in such a manner as not to interfere with theirs—of which Mr. Beatty, wharfinger at Rupert, will be the arbiter.

On the other hand, the Westholme Lumber Co. are to carry out their work with the utmost expedition and get clear of the space required for the sheds first.

I have the honor to be, Sir,
Your obedient servant,
W. W. FOSTER,
Deputy Minister of Public Works.

Victoria, 9th Feb., 1912.
S. Cameron, Esq.,
Westholme Lumber Company,
Victoria, B. C.

Sir: Confirming our interview of this date I beg to enclose a copy of a letter written Mr. Kauffman, containing the result of our understanding.

As the time allotted is more than sufficient for you to complete your work, it is understood the Department is prepared to enforce the penalty clauses at the end of 30 days should it appear your work is not carried out with the promised expedition.

I have the honor to be, Sir,
Your obedient servant,
W. W. FOSTER,
Deputy Minister of Public Works.

Victoria, Feb. 19th, 1912.
Hon. T. Taylor,
Victoria, B. C.

Sir: Your favor, 15th February, to hand. Replying to same we beg to state the only thing delaying completion at the wharf at Prince Rupert is the fact that the tides at this season of the year do not come out far enough in daytime to allow placing of the braces, and it is impossible for the men to see to properly do this work, underneath the wharf, at night. We are using all possible despatch to complete same for our own as well as the interest of the Government, because the longer the work is in progress the greater our expenditure in proportion.

Yours truly,
Westholme Lumber Co., Ltd.,

JOHNSON AND JIM FLYNN

Twenty Round Contest for Heavy-weight Championship to Be Fought July 2nd on the Nevada Border.

Salt Lake City, March 4.—Jim Flynn and Jack Johnson will meet in a 20-round bout for the heavy-weight championship of the world at or near Wendover, Utah, on July 2nd. This is the substance of an announcement made this

morning by men who are financing the affair.

The statement was made after the information was received here from Carson City, Nev., that the legislature of that state did not take up before its adjournment the proposed repeal of the law permitting championship boxing matches in Nevada. It is said that the battle will take place across the line in Nevada within a few rods from the Wendover, Utah, depot.

Liberal candidates, it is confidently expected, will be nominated in every constituency.
