RINK IS SENT TO BONSPIEL

Prince Rupert Curlers Certain to Bring Some Valuable Prizes Home—Bonspiel Begins Next Monday.

Prince Rupert will begin to be heard of in the athletic world as soon as we get that recreation ground. It has already made a start in this direction, and nothing serves to advertise a city so much or so well. We have a bunch of champion bowlers down at the Vancouver tournament, and on Monday the Vancouver people will have a chance of witnessing our prowess on the curling rink. We have sent a rink from here that will certainly bring home with them some of the valuable cups and other prizes offered. The rink is composed of A. T. Broderick, skip; S. P. McDermid, W. S. Benson and F. H. Mobley. The contests are to take place in the Arena, said to be among the finest artificial ice rinks of the world. The contesting rinks are:

Instructive Motion Pictures.

Under this heading comes a very beautiful film entitled "The Landing of Christopher Columbus," which will be shown at the Westholme Opera House tonight together with several other good reels. "The Landing of Christopher Columbus" is a subject that is sure to interest Americans, and the pictures shown are absolutely correct both historically and dramatically. The scene depicting the landing of Columbus in the new world is especially fine and nothing better has ever been shown in this city.

KIRKPATRICK IS BACK HOME

Eeen on Vacation Trip to Place of Nativity in Nova Scotia.

COMES OF STURDY STOCK

Octogenarian Father Misses Going to Business First Time in Sixty Years.

Ex-Alderman J. A. Kirkpatrick returned home yesterday morning unexpectedly, having cut his vacation short, probably that he might take a hand in the political game. He went direct from here to Nova Scotia and to his old home some fifty miles from Halifax. He found his father, who is eighty years old, confined to his bed. A couple of days before the old gentleman had slipped on the sidewalk and sustained a bad fall. This was the first time he had missed going to his business office every working day in sixty years.

Mr. Kirkpatrick took a run to New York and from there to Chicago, spending a few days in each of these great cities. He next visited Montreal, Ottawa and Toronto and everywhere found great interest manifested in the future of Prince Rupert and especially in real estate values. He returns with the impression that realty prices in this city are comparatively low.

C., for several years. The last eleven years he has been in charge of Redfield, South Dakota. He is now going to work along the G. T. P. above Aldermere.

It means the location of the depot right at the east part of the Fort George townsite, near Fraser avenue. This settles all controversies in regard to the value of the Fort George townsite and those who have followed us are going to reap a good profit on their investment. Lots are selling fast, there will be a tremendous boom at Fort George this year.
