AS TO SALE OF GOVERNMENT LOTS.

The Manson way and the McBride way are as different from the Liberal way of dealing with government lands situate in municipalities as chalk is to cheese. William Manson repeats with pride the words of his master, McBride, that, so far as the town lots in this city belonging to the government are concerned, the provincial government is in the real estate business good and hard. Sir Wilfrid Laurier, the great Liberal leader, said at Regina just as "good and hard" that "the government is NOT in the real estate business."

This was in 1895, a time when the Dominion was not enjoying anything like the prosperity which came later, and her coffers were not bulging like those of this province are today. Sir Wilfrid was making a tour of the West, and it was pointed out to him that the residents of two growing towns in Saskatchewan, Regina and Moose Jaw, were under great hardships in carrying out city improvements for the reason that the government owned a great part of the two townships and the Canadian Pacific Railway practically the remainder. The railway did sell a part of its lots or there could have been no towns, but it's dog-in-the-manger policy led it to refuse to sell more. It was like the McBride government, in the real estate business good and hard.

These company lots were exempt from city taxation for twenty years; also the government lots were exempt altogether from taxation. Therefore all city improvements had to be paid for, as they are today in Prince Rupert, by the few individual property holders. Under those conditions, it was pointed out to Sir Wilfrid, there could not possibly be any speedy growth of these promising cities.

Sir Wilfrid was quick to see the point and to appreciate the situation. It was then he declared that the government was certainly not in the real estate business, and that he would see to it on his return to Ottawa that the land in these cities belonging to the government should be TURNED OVER TO THE MUNICIPALITIES. Not held until the struggles of individual adjacent property holders had made the lots very valuable, which is exactly what McBride is doing in Rupert and which course so excites William Manson's admiration.

The lands in question were turned over to the cities mentioned, and the proceeds from their sales, and the taxes they began to pay, enabled Moose Jaw and Regina to plan and carry out improvements on a scale that commanded attention and ensured rapid growth.

The government lots in this city are valued at thirteen millions now and their value rapidly rising. But if the city was receiving taxes on those thirteen millions we would not be so hard up, would we? And there would be no room or excuse for those mysterious hints of impending disaster from Mayor Newton. So why support William Manson and the real estate policy that is impoverishing Prince Rupert?

WHAT DID PUBLIC ACCOUNTS COMMITTEE DO?

"I challenge Mr. McBride to say whether or not the government has made a payment of \$800,000 or any other sum as a whole or part of a first installment of interest on the bonds of the Canadian Northern Railway guaranteed in 1909.

"It would mean that the first payment of interest would practically burden the whole \$46,000,000 on the province."—Mr. J. P. McConnell, Liberal candidate for Yale, in a speech at Agassiz.

McBride today knows just what money is required at every ballot box in the 35 ridings of British Columbia—Victoria Fortnightly.

The electorate are up against loaded dice with no hope of winning unless popular revulsion produced a landslide, a contingency provided for in the creation of these clubs.—Victoria Fortnightly.

Constitutional government, we must say, is at an end. Despotism takes its place and in full confidence of his position, the Premier sells the Province of British Columbia to its highest bidders.—Victoria Fortnightly.

Remember

There will be two Manson names on your ballot paper. Be careful to make the distinction between the McBride Manson, who has been tried and found wanting, and ALEX. M. MANSON, the people's candidate, and a true representative of Skeena riding. To save confusion at the polls put your cross opposite the name of ALEX. M. MANSON, which is the second name on the ballot, exactly as indicated thus:

CLAYTON William Barratt Clayton, of Prince Rupert Dentist	
MANSON, ALEX. M. A. M. Manson, of Prince Rupert, Barrister-at-Law	X
MANSON, WILLIAM William Manson, of Prince Rupert, Accountant

SHOOTING STRENGTH SIMPLICITY

The essentials of a perfect gun are simplicity, strength and ease of use. The Green's Gun is a household word wherever sportsmen congregate, and Green's guns have won the world's highest honors. The strength of the Green's action is phenomenal. The Green's Trigger Wedge Fast Bolt is the strongest breech fastening extant, imitated by gunmakers all over the world. The "Fusile Principle" action is simplicity itself, works easily, smoothly and the trigger is a fraction of a second quicker than any other. You get all these advantages if your gun is a Green's.

More Reasons Why Wm. Manson Must be Defeated Stated by His Apologists

1. Alderman Douglas, one of William Manson's most able supporters, had to admit the spinelessness of his candidate at the Conservative smoker, and said: "I will put starch into his back and make him take it."
2. Mayor Newton, the latest leader of public opinion to be whipped into line by Ring domination, says: "All of us make mistakes. William Manson has made his." And Mayor Newton crawls down from his pinnacle of whilom independence and entreats us to return William Manson to continue his costly mistakes.
3. The political epitaph of William Manson can be written in the simple prayer: "And we have left undone the things that we ought to have done."
4. R. A. White, the chairman at the Conservative smoker, is another of the apologists for his candidate. He asks that William Manson be sent back to Victoria and thus "Give the devil his due."
5. The Ring morning newspaper frankly states that the level-headed electorate of this district will not be misled. No one, not even those of the Ring, are trying to mislead the electorate in regard to William Manson. His leading supporters frankly agree with everybody else that he is a proven incompetent. Then why vote for him?
6. That if William Manson was the only possible available candidate it would be better to send a proxy and dismiss the matter from one's mind. To lean upon a reed means constant worry and probable disaster.
7. William Manson has been weighed in the balance and found wanting. His Ring friends admit it, but they have no other available Ringster to take his place.
8. There being no argument, no valid reason whatever given even by his supporters to show cause why William Manson should be again returned, why vote for him?
9. Why not try an entirely new man, one of known ability and fearlessness, such as Alex. M. Manson?
10. Common sense will prompt you to try this man of confidence and competence in place of the man of proven incompetence.

LET THE GOLD-BRICK TWINS DO THE WORK

With a stamp and a clamp, that fits tight in our camp.
We can fix and can mix, figures dark as the Styx;
For amounts of accounts jurgled high as the mountains
Are but boons to us coons with our thirty-second counts.
We've a list we can twist, until nothing is missed,
And neat surplus galore, nailed tight to the floor.
If members complain of our gay, golden reign,
We tell them—compel them—to help in our gain.
Our government's two—that's me, Bill, and you.
Any other we smother, as we might one another,
If I cared, or you dared, to go unprepared.
When we stand with the band though our friendship's declared.

PRIZE FISH LANDED

Sir Thomas Lipton Caught on Cupid's Hook.

London, March 19. — Sir Thomas Lipton, prize fish for the matrimonial sea, who has successfully eluded the debutante baited hooks with which ambitious mothers have angled for him, finally has been smitten, according to a story current in London.
Miss Ruth Boettcher of Denver is the young woman who is credited with having dented the heart of the most wary as well as one of the most eligible bachelors in Europe. She has just returned to America after a three years' trip around the world, leaving many a heartache on this side of the Atlantic.
During her stay she was entertained by Sir Thomas Lipton.

"WAPPY" MUST SERVE

Sentence of Hi Gill's Chief of Police Sustained.
Olympia, Wash., March 19.—The Supreme Court today affirmed the conviction of Charles W. Wapenstein, former chief of police of Seattle, on a charge of accepting a bribe. Wapenstein was sentenced to serve from three to ten years at hard labor at Walla Walla state prison.

Lipton Will Try Again.

Chicago, March 22.—In a telegram to Douglas Malloch, president of the Press Club of Chicago, and read at the dinner of the club Saturday, Sir Thomas Lipton intimates that he will make another attempt to lift the American cup. In his message Sir Thomas says: "I am probably the only living Irishman who has so far failed to achieve his ambition in America—that is, to lift the cup. But where there's life there's hope."

DO WE WANT "A FRIEND AT COURT"

The Trombone tries repeatedly to make out that William Manson has proved himself "a friend at court" for the Skeena riding, in the effort to counteract the Liberal candidate's direct declaration that the "friend at court" claim is a fallacy and a fraud without one fraction of advantage in it for Skeena. The Trombone quotes the figures given below in support of its absurd claim. Study them, just study them!

UNDER LIBERAL MEMBER.	UNDER WILLIAM MANSON.
1908 \$28,000	1910 \$150,000
1909 \$75,000	1911 \$225,000
Appropriation for 1909 nearly three times that for 1908. At the same rate the Liberal member would have secured for 1910 at least \$200,000.	Appropriation for 1910 only double that for 1909. Appropriation for 1911 \$75,000 short of being even only double that for 1910.
