Ward; treasurer, Mrs. F. Mobley; executive committee, Mrs. W. Manson, Mrs. O. H. Nelson and Mrs. P. I. Palmer.

Active efforts will be made to effect enthusiastic reinforcement of the whole auxiliary from the ladies of the city, and further good work is promised for the hospital in view of the new wing projected.

## PAY DAY TO COME OFTEN

Alderman Montgomery Carries Through a Motion That All City Employees Shall be Paid Every Two Weeks.

The question of paying civil and municipal servants only once a month—an issue raised by the Liberal party in the provincial campaign that they should be paid oftener—came up in the city council last night, upon a report by Engineer Matthews of the Electric Light department. The question had been raised in this department whether the workmen could not be paid oftener, but Mr. Matthews reported that the men were satisfied with the monthly payment system, only if it should happen they quit or were laid off before the end of the month, they would have to wait for the monthly pay day.

The mayor: They can get their money any time. It only means the mayor having to sign a few more checks.

Ald. Montgomery: Then I move, your worship, that all the city employees be paid every two weeks, instead of at the end of each month.

Mr. Peters—What? Including the city solicitor?

Ald. Montgomery put on a youthful blush and hesitatingly replied, "I said all city employees."

Ald. Kerr seconded the motion during the good humored laugh, and there was no opposition to it.
