For General Fitness, say— "NABISCO SHREDDED WHEAT"

The food you eat has much to do with your capacity to perform the extra work that is rightly demanded from every citizen in wartime. Eat the food that has made Canada "the granary of the Empire"—whole wheat.

Nabisco Shredded Wheat is 100% whole wheat, with nothing added. You get the proteins, carbohydrates, phosphorus and iron contained in pure whole wheat. And, because the wheat is unmilled, all the important wheat germ is retained. To benefit from the abundant food-energy that Nature put into Canadian wheat—buy and serve Nabisco Shredded Wheat regularly. Ask for it by the full name "Nabisco Shredded Wheat".
