

### A Fast Disappearing Opportunity

To get in on the ground floor at FORT GEORGE. Why will Fort George inevitably grow to be a great city? Because of its strategic location that assures her of a GREAT FUTURE as a distributing centre. Because there is the centre of the richest mining district in America—the CARIBOO DISTRICT. Because great areas of TIMBER, 1,100 MILES OF NAVIGABLE WATERS, EXCELLENT WATER POWERS, are tributary to Fort George. Because there are 250,000 acres of good agricultural lands, open for pre-emption. Because of all the railroad that are building or that have got their charter to build through Fort George. Because all the grain of Alberta and Saskatchewan shall be exported through the Panama Canal, which means that all that grain shall have to come to Fort George before reaching either Prince Rupert or Vancouver. Because Fort George has a better strategic location than Spokane and is the GATEWAY to the Pacific coast of the PEACE RIVER COUNTRY, which covers an area of 3,000,000 acres of the best agricultural land in Canada. Within a few years Fort George will be where Vancouver and Winnipeg are today. This is the time to act. The man with a prompt decision is the man who wins, and you have everything to win if you buy right now, because this summer will see a great activity at Fort George and the prices will advance rapidly. ## ALBERNI

A GREAT SEAPORT IN THE MAKING!

**Only When Canada Stops Growing Will Investors Cease to Make Money on Land**

Do you think Canada is going to stop growing soon? No, of course not. She has only fairly started.

And as Canada grows so must new centres of population develop. The place for the investor to make big profits is in some town or city where development is inevitable.

**Take Alberni for Instance**

Alberni is as certain to become a large shipping centre as was Vancouver. Situated on the west coast of Vancouver Island—some eight to twenty-four hours nearer the east than is Vancouver—Alberni will shortly see the largest boats of the Pacific docking at her waterfront.

With the Canadian Pacific Railway already there, and the Canadian Northern Railway rushing its tracks toward the city as fast as possible.

Alberni will develop within the next year in a way that will surprise you all.

Your chance to buy a lot in Alberni is something which you cannot afford to overlook.

We do not ask you to buy because of the few reasons we have given above.

But we do want you to get our new booklet about Alberni. It is handsomely illustrated and will tell you about Alberni in a way that is convincing. Get it today.

Lots can now be bought for \$150 on easy terms. See us and talk it over.
