HOW CAN I ? ? ? By ANNE ASHLEY

Q. How can I avoid confusing window screens?

A. Before packing the screens away, paste a small label on each one, on which it belongs. The labels can be removed easily while cleaning the screens and much effort in fitting can be. avoided.

Q. How can I remove the lime that accumulates on the inside of a teakettle?

A. To remove it, boil a strong solution of vinegar in the kettle. Rinse thoroughly before refilling with water.

Q. How can I clean hair brushes and combs?
