**SAW 500 STUDENTS GRADUATE AT UBC**  
 Margaret Lee returned on the Prince Rupert Wednesday from Vancouver where she attended the graduation of her brother Jone Lee. The graduation ceremony was a streamlined affair. It took about three hours to put through 500 grads last year but this year 11000 went through the exercises in two hours. To save time and the Chancellor's arm, handshaking was eliminated, the classes stood and bowed instead. Next year the ceremony may be a two-day affair as the graduates are expected to number over two thousand.

**FASTBALL GAMES**

**MOST PIPE SMOKERS SAY "Yes!"**

Ask any pipe smoker these questions... Do you like a tobacco that keeps your tongue cool? ... a tobacco that packs easily? ... a tobacco that burns smoothly? ... a tobacco that stays lit? The answer will always be emphatically "Yes!"  
 And that my friend is why Picobac is the most popular pipe tobacco in Canada to-day.  
 Picobac is the pick of the Barley crop, grown in sunny Southern Ontario, where climate and soil are the secret ingredients for a mild, cool, satisfying smoke.
